President's Comments on draft of President's CSCE Speech

7/30/75

Too long.

Seems repetitive in part.

Do we need to place East & West in military confrontation

Why not simply HOPE which all want & put our actions aimed at that achievement.

7/30/75

FROM PRESIDENT

Smallest common denominator is good but not enough.

Our people & all 35 countries want us to offer them Hope.

Their Hopes have been raised by bi-lateral agreements but that Hope can be expanded, yes multiplied, by words on Helsinki and actions to implement & execute.

(Sonnenfeldt)

Say something to people NOT represented here —

Peace, cooperation, productive life in Europe benefits all.

Two non-European countries by geography are here because we have such strong ~~ties~~ a connection based on heritage.

Also economic interdependence.
